

CHRISTIAN FELLOWSHIP ACADEMY and HIGH SCHOOL

Christian Fellowship Academy was established in 1981 by the leadership of Christian Fellowship Center as a school, which offers Christ-centered education for children from this congregation. The original vision for CFA was a K-12 Christian day school and possibly a junior college on these grounds. Today, CFA/CFHS consists of a complete Pre-K through twelfth grade program; servicing approximately one hundred twenty-five families from CFC and over fifty different churches in Westmoreland and Allegheny Counties. Christian Fellowship Academy is dedicated to daily academic, spiritual, and character training of its students to: *“Build leaders of academic excellence who engage the culture with a biblical worldview.”*

CFA exists to support and partner with Christian parents in training up their children to have a worldview that is thoroughly Christ-centered and grounded in truth found in God’s Word. Our charge is to train up future Christian leaders who will impact the future church, society, and world for Jesus Christ. On June 6, 2009, Christian Fellowship High School will hold its sixth graduation service, bringing a total of thirty-eight graduates; our future teachers, pastors, doctors, lawyers, judges, scientists, politicians, missionaries, artists--- grounded in biblical truth.
