

## **The Ministries of CFC**

### **Part III**

It doesn't take one very long to recognize that at the core of every ministry at Christian Fellowship Center is the impartation of the Truth; the Word of God, the Holy Bible. Thus, one of the largest groups, the **INTRODUCTORY AND ADULT EDUCATION PROGRAMS** embodies the various levels of instruction of souls.

The **Adult Sunday School Ministry** provides two adult classes offered during the 9:30 Sunday school timeframe; one for senior adults, which meets in the library, and one for thirty-ish and up, which meets in the Hearth Room. (No proof of age I.D. is required for admission to either class!)

The **College and Career Class**, a class for single and married adults ages eighteen to thirty, meets at 9:30 in the ministry room, just off the main foyer.

Teaching and emphasis on faith in God to equip men to grow in His service, is the goal of the **CFC Men's Ministry**. Uplifting the name of Jesus Christ, our men spend time together studying God's word, praying, fellowshiping and ministering to each other's needs at their monthly Monday night meetings.

Welcoming new believers into the body of Christ and to CFC is the purpose of the **New Converts Class**. Anyone who has made a decision to receive Christ as their Savior is welcome to attend this class to receive teaching on the basics of faith and doctrine. These classes are scheduled periodically, as need dictates, and are announced in the newsletter and Sunday bulletin. The **New Members Class** meets for eight consecutive weeks at least once annually. (Also published in the newsletter and bulletin) If you currently attend here and desire to become a member, this class will prepare you to understand and embrace the beliefs practiced at CFC.

The **Visitor's Ministry** consists of the **Visitors Welcome Ministry** and the **Visitors Follow-up Ministry**. This ministry's purpose is to make every visitor feel welcome and to encourage those looking for a church to join the family of believers at CFC.

**T.R.U.E. Hearts Women's Ministry** stands for Teaching, Reaching, Uniting and Evangelizing. This ministry provides various opportunities for Christian women to study God's Word together, minister and fellowship with one another in an informal setting. The ministry also has its own prayer team, which allows corporate prayer and fasting for upcoming activities and events.
